

# Special Announcement

The City of Craig is in the process of conducting a water/wastewater rate study. Below is a list of frequently asked questions regarding rate studies, why they must be done and how it affects you as the customer.

The City's goal is to continue to provide excellent customer service while also providing clean & safe drinking water to you and your family with as little impact on you (the consumer) as possible. We will be hosting an **Open House on August 25, 2018, at the Farmers Market from 9:00 AM – 11:00 AM**. We encourage you to stop by so that we can answer any questions that you might have.
