About Jarrod Ogden

Hi, I'm Jarrod Ogden and I'm pleased to be representing the City of Craig as your Mayor. I wanted to take a moment to share some of my background. I was raised on the Western Slope of Colorado including attending some of my high school days here in Craig. Returning to Craig in 2001, I was able to find so many rewarding opportunities to give back to this community and Moffat County. It wasn't long before I saw an opportunity to start Three Sons Construction in Craig in 2005 and currently, I am Director of Facilities and Transportation for the Moffat County School District.

One of the highlights I discovered living and working in Craig is the opportunity to serve its citizens and families in many different capacities. In the past 15+ years I have been a youth athletics coach, appointed to the Craig Planning and Zoning Commission and a member of the Craig Chamber of Commerce. Recently and prior to my election as Mayor, I was serving as a Craig City Councilman and continue to serve on the Craig Municipal Airport board. Being able to represent these various organizations over the years has led me to my current role where my goals and objectives have always been to serve with diligence, honesty and integrity. Yes, I'm enjoying my new role as your Mayor and I look forward to representing our citizens and this community as we plan for the future.
