About Steven Mazzuca

I was born and raised in Gunnison Colorado. I spent my youth living and working on a ranch west of town. Graduated high school in Prescott Valley AZ. After High school, I joined the United States Army. During my time I was assigned to the 3rd Infantry Division. In 2003 we were deployed to Kuwait, where we staged to be part of the invading force into Iraq for Operation Iraqi Freedom.

Following my service, I started my current career as an installation technician with Cable One. There I promoted to Advanced Technician, and then to Technical Operations Manager.

In January 2012 I moved to Craig Colorado and accepted a job as Technical Operations Supervisor with Comcast Cable in Steamboat Springs. Currently, I'm the Sr. Vice Commander of the VFW, I play drums in two awesome local bands and a member of our local BCA pool league
